## French Inspired Hearts

Here is a gift from us and your favourite cross stitch shop.

These two French inspired hearts are quick to stitch. You may want to use your favourite hand dyed threads - red would be the traditional colour.

These would look lovely framed together in heart-shaped matt boards, or stitched as a square of four on a cushion, or turned into little heart shaped ornaments backed with "shabby" fabrics.

Size: 51w x 53h Stitches

Approximate stitching area

14/28 ct: 4" x 4" (10 x 10 cm)

16/32 ct: 3 1/2" x 3 1/2" (8.5 x 8.5 cm)

18/36 ct: 3" x 3" (7.5 x 7.5 cm)

Remember to add enough fabric for finishing.
